Awards and Graduation Policy
Strategic Plan Theme: Learning and Student Experience

2. PROCEDURAL DETAILS

2.1 An award may be granted to a student “with Distinction” in recognition of outstanding performance in a course. The award certificate will bear the notation “with Distinction”.

2.2 Determining Outstanding Performance in a Course

2.2.1 All students who obtain a course-weighted average (CWA) of equal to or greater than 85.00 will be considered to have achieved outstanding performance in their course and will be granted an Award with Distinction.

2.2.2 If 10% or more of the students who have completed their course in the current graduating cohort have not already been granted an Award with Distinction by achieving a course weighted average (CWA) of equal to or greater than 85.00, the following provisions will be used by the Board of Examiners to determine whether a student or students who have obtained a CWA of under 85.00 may be considered for an award with distinction:

a) The CWA will generally be within the top 10% of results attained by student(s) who have completed their course in the current graduating cohort.

b) The CWA obtained by the students gaining an Award with Distinction will be higher than those students who are not recommended for an Award with Distinction.

c) A student who achieves a CWA of less than 70.00 will not be considered for an Award with Distinction.

2.3 Process for Determining an Award with Distinction

2.3.1 The following decision chart outlines the process for determining whether a student may be granted an award with distinction.
Has the student obtained a CWA of equal to or greater than 85.00?

Yes: Grant an Award with Distinction

No: Move to the next step

Have 10% or more of students achieving equal to or greater than 85.00 in the course in the current graduating cohort been granted an Award with Distinction?

Yes: No further Awards with Distinction may be granted

No: Move to the next step

Is the CWA of the student within the top 10% of results attained by student(s) who have completed the course in the current graduating cohort?

Yes: Move to the next step

No: No further Awards with Distinction may be granted

Is the CWA of students recommended for an Award with Distinction higher than those who have not been recommended?

Yes: These students may all be granted an Award with Distinction

No: Move to the next step

Do these students have a CWA of equal to or greater than 70.00?

Yes: Grant an Award with Distinction to students up to this cut-off point only

No: Do not grant any further students an Award with Distinction

   a. completed the requirements of an award but is deceased before being conferred; or
   b. is deceased prior to completing the requirements of the award. Under these circumstances it would normally be expected that the student:
      o is close to completion (e.g. more than 80% of the required units are complete); and
      o would have reasonably been expected to complete, had they been able to continue.

2.1.2 A posthumous award may be granted for an HDR student who is deceased prior to completing the requirements of the award. Under these circumstances, it would normally be expected that the candidate:
   a. will have completed Milestone #3 and a substantial amount of the thesis is completed; or
   b. in the event that a candidate has not completed a Milestone #3 presentation for a Doctoral Award, the candidate may be considered for a Master of Philosophy award.

2.2 Posthumous Award Recommendation

2.2.1 For coursework students (excluding coursework doctoral students), a recommendation to grant a posthumous award will generally be made by the relevant Faculty Pro Vice-Chancellor.

2.2.2 For HDR students, a recommendation to grant a posthumous award will generally be made by the Associate Deputy Vice-Chancellor, Research Excellence.

2.2.3 The relevant Faculty Pro Vice-Chancellor or Associate Deputy Vice-Chancellor, Research Excellence will request the Academic Registrar award the degree posthumously.

2.3 Approval Authority

2.3.1 The Academic Registrar is the approving authority for all posthumous awards. Cases will be considered in consultation with the relevant Pro Vice-Chancellor or Associate Deputy Vice-Chancellor, Research Excellence.

   a. Where an HDR student has completed their dissertation prior to examination, the submission of the thesis for examination may occur with the approval of the Associate Deputy Vice-Chancellor, Research Excellence.

2.3.2 If approved, the Academic Registrar will authorise the issue of the award certificate.

2.3.3 The Academic Registrar may also approve the granting of a posthumous award where a student is deceased or in exceptional circumstances, where a student receives a terminal diagnosis prior to completing the requirements of the award.

2.4 Posthumous Award Collection

2.4.1 The proxy of the posthumous award recipient may choose to receive the award certificate at a graduation ceremony, by mail or by collection from the Graduations Unit.

2.4.2 If the proxy chooses to attend the graduation ceremony and agrees, the award certificate will be presented in the normal order of graduates and the proxy will
receive the award certificate on behalf of the posthumous award recipient. An announcement may be made that the award is being made posthumously.
