### 2. PURPOSE

Ensure that Curtin's offshore operations delivered with a collaborator are established and maintained in accordance with Curtin's commitment to delivering high quality courses to all students in all locations. To do this requires careful management of transnational partnerships. Adherence to the *Collaborative Education Services (International) Policy and Procedures* affirms our commitment to ensuring quality and standards with regards to our transnational teaching arrangements.

### 3. POLICY STATEMENT

- 3.3 The Deputy Vice-Chancellor Global (or nominee) will coordinate the approval of contracts for all international collaborative partnerships. New international collaborative partnerships and courses proposed for introduction at existing collaborative partnerships will need to be approved prior to commencement.
- 3.5 The Deputy Vice-Chancellor Global (or nominee) will lead the coordination and administration of offshore courses delivery with the assistance of relevant Faculty staff, and they will work together to ensure delivery of collaborative education services.
- 3.6 All collaborative education partnerships will be reviewed annually in accordance with this policy and procedure.
